

MILITARY FAMILY EMPLOYMENT SERVICES

Thousands of military members and their families call Northeast Florida home. Many active duty members are married, and these spouses comprise a significant part of Jacksonville's dynamic workforce. That's why we partner with the State of Florida and other partners to help military families access services and find employment.

We focus on portable careers (jobs that can transfer from one part of the country to another when your family changes duty stations.) We understand the challenges you face: managing schedules for military members, finding affordable child care, and developing a network to aid you in your job search.

When you connect with our Military Family Employment Advocate, you'll have access to the full range of services we offer at no cost to you.

AT OUR CAREER CENTERS, YOU CAN ACCESS:

- Career transition assistance, including assessment and information about training
- Job listings from the Employ Florida (www.employflorida.com)
- High speed internet access
- Fax machines, copiers and computer resources for job search
- Career workshops and resources for job search, interviewing, resume preparation, and more
- Resources for up to date labor market information
- Job fairs and recruitment events
- Information on working with a disability
- Access to information about federal programs for family support
