### Tips to Navigate Through the Applicant Tracking System (ATS)

**led by: Debraca Russell, MBA**

**CEO, and Principal Writer at Agape Career Counseling Group**

As a job seeker, you want to create that perfect resume' that will help you get noticed by recruiters. But before your resume' is even seen by a human, it needs to get past the applicant tracking system.

If you are seeking employment and find yourself pondering the following questions, you've likely been confused by the many application methods and systems out there today:

- Have you ever wondered what happens after you click?
- Should you answer all of those random questions?
- Should you just attach a resume and leave the questions blank?
- Does anybody actually look at your resume?
- What should you put for your salary requirements so that they aren't ruled out?
