A LETTER from the MAYOR

Together, we will build a healthy, safe, resilient, inclusive, and innovative city that works for all of us. Every person will have a voice in City Hall and a seat at the table to reach that goal. Thank you for being part of this new chapter in Jacksonville's history as we build a bridge to the next generation and industries of the future.

Mayor Donna Deegan

Carefully Designed with YOU In Mind

We're committed to making sure you get the benefits package that's right for you and your family. Our package combines the peace of mind that comes with excellent medical care.

Annual Enrollment is your chance to ensure that your benefits package is right for you. Medical coverage, dental and vision care, retirement benefits, and life insurance options are built around you and created to keep you in great shape, physically and financially.

Please take the time to read through this booklet and understand all the options available to you. As a whole, we think we've created a benefit package that gives you outstanding support, whether you're at work, at home or even on vacation.

Selecting Your Plans

When you're first hired

Your benefit eligibility date, when your coverage begins, is the first day of the month following your employment date if you work 30 hours or more per week. If your employment date is the first day of the month, your benefits will be effective on your employment date. You must complete your enrollment prior to your eligibility date and all required documentation must be provided prior to your benefits eligibility date. **The benefit deductions from your first paycheck of the month is for benefit coverage from the 1st – 15th , the benefit deductions from your second paycheck of the month is for benefit coverage from the 16th – the end of the month.** If there is a third paycheck in a month then no benefit deductions will occur. **Any corrections must be made within the first 31 days of enrollment.**

If you have a life change (life event)

Certain life events like marriage, divorce, birth or adoption of a child, or a change in employment status may allow you to change your coverage during the year. If this occurs, please contact Employee Benefits within 60 days of the event - with required documentation - to update your benefits.

During Annual Enrollment

Annual Enrollment is your opportunity once each year to evaluate your benefit options and make selections for the following year. Benefits selected at Annual Enrollment are effective January through December.

COVERING your FAMILY

Important Terms

Copay – a flat fee you pay whenever you use certain medical services, like a doctor visit.

Deductible – the dollar amount you pay before your medical insurance begins paying deductible-eligible claims.

Coinsurance – the percentage of covered medical expenses you continue to pay after you've met your deductible and before you reach your out-of-pocket maximum.

Out-of-pocket maximum – the most you will pay during the calendar year for covered expenses. This includes copays, deductibles, coinsurance, and prescription drugs.

Balance billing – the amount you are billed to make up the difference between what your out-of-network provider charges and what insurance reimburses. This amount is in addition to, and does not count toward your out-of-pocket maximum.

Home Delivery from Amazon Pharmacy

A new way to save on medications

Amazon Pharmacy offers a home delivery service that lets you easily order and quickly get your non-specialty prescription medication delivered at home.

And as a Florida Blue member, you get access to MedsYourWay™ prescription drug discount card pricing. The prescription discount card gives you up to 80% savings on medications and is seamlessly built into the Amazon Pharmacy experience. You can get the lowest cost available while saving time and money. Using the MedsYourWay discount card is not insurance; however, using it for covered medications will also count toward your out-of-pocket maximum.

To learn more about Amazon Pharmacy's home delivery services, call the number on the back of your member ID card and say, "Pharmacy."

Or log on to your Florida Blue Member Account and see the Pharmacy section under My Plan.

Easy to use

Amazon Pharmacy makes ordering your medications easier because it's like shopping on Amazon:

- Easy sign up, which includes the option to have your account auto-populated with your prescription history.
- Option for 90+ day supply.
- Pharmacists on call 24/7.
- Ability to manage your medication and order history.

Built-in drug discount card

Some drugs may be available at lower prices with a discount card. MedsYourWay discount pricing is built right into the Amazon Pharmacy experience.

- At check out, you'll see the lowest cost available for your medication. That's the price you'll pay.
- MedsYourWay discount card pricing is not insurance; however, all prescribed and covered purchases, whether paying a copay or using the discount card pricing, automatically count toward your annual out-of-pocket maximum.

Convenient home delivery

Skip the pharmacy line with home delivery.

- Fast delivery: Amazon Prime members get 2-day no-cost shipping on most orders; standard no-cost shipping for non-Amazon Prime members is 5-day but can be expedited to 2-day delivery for an additional fee.
- Real-time package tracking from order to delivery.

WILL THIS PLAN HELP YOU?

See the Commuter expenses information on www.coj.net/benefits for more information on this benefit.

Care For Yourself And Your Family

Employee Assistance Program

The City offers all full-time employees and their families a confidential Employee Assistance Program (EAP) through Health Advocate. You are automatically enrolled and have free, unlimited, confidential access to licensed counselors 24 hours a day, 7 days a week for assessment, short-term problem resolution, and community resource referrals.

In addition, each employee and family member can receive up to six face-to-face visits with a counselor for each issue each calendar year.

Available EAP services include:

CORE SERVICES

General counseling for stress, depression, family issues, substance abuse, child care, work life services, educational resources, marriage counseling and elder care resources.

FINANCIAL PLANNING

Resources for investment plans, estate planning, debt reduction, retirement planning, bankruptcy, tax support, college funding, and budget management.

LEGAL SERVICES

Referrals and discounts for services such as creating or modifying a will, consumer issues, criminal matters, traffic citations, living wills, power of attorney, separation and divorce.

MEDIATION REFERRALS

Referrals for divorce, child custody, estate settlement, family disputes, real estate matters, financial collections, and contractual disputes.

Health Advocate

Emotional support when you need it.

City of Jacksonville has partnered with Health Advocate to offer you personalized support to find balance and gain control during life's challenges, all at no cost to you!

Health Advocate is completely confidential. In a crisis, help is available 24/7.

Emotional Support

Your Employee Assistance Program (EAP) offers confidential support from Licensed Counselors who can help you work through issues impacting your life and well-being.

Our Counselors can help address:

- Anger, grief, loss, anxiety, depression
- Job stress, burnout, work conflicts
- Marital relationships, family issues
- Addiction, eating disorders, mental illness

Work and Life Balance

Through EAP, you also have access to a team of Work/Life Specialists to help find resources to better balance work and life and feel more productive.

Our Work/Life Specialists can help with:

- Time management
- Locating childcare and eldercare resources and concerns
- Personal/family/elder law, identity theft
- Financial resources for debt management, budgeting, credit issues
- Plus, we can connect you to financial and legal consultants

Simply call us. We offer compassionate support over the phone and can review other options for counseling. If needed, we'll help you connect with the appropriate professionals for long-term support.

Help for Stress is Here

Our lives today are ever more complex, fast-moving and changing, increasing our stress load in any number of ways. It can feel like there is no way out of it. But feeling overwhelmed and fatigued doesn't have to be a way of life.

These tips will help you gain control of your stress to feel more balanced so you can function at your best.

We're here to help. Health Advocates can get you to the right support and resources to help you improve your health and wellbeing.

IDENTIFY THE KEY SOURCE

Is it too many deadlines or personal obligations? Getting to specifics can help lead you to the solutions.

MAKE AN ACTION PLAN

Some examples: Ask your supervisor about adjusting a deadline or delegating responsibilities; stock up on audiobooks to ease your commute.

SIMPLIFY EXPECTATIONS AND LET GO OF PERFECTIONISM

Instead of staying up late to bake the perfect cake for an event, opt to buy cupcakes instead, for example.

PRIORITIZE YOUR TO-DO LIST

Time management is a major stress reducer! Figure out what tasks are most important and finish those first.

JUST BREATHE

Breathing in deeply through your nose, fully expanding your abdomen, and exhaling slowly through your mouth can quickly calm your nervous system and short-circuit the stress response.

BLOW OFF SOME STEAM

Find an activity or hobby that gives you a lift, whether it's reading, yoga, crafts, listening to music, or just laying with the dog.

WORK IT OUT

Even brief physical activity helps release the "feel-good" brain chemicals that can boost a sense of well-being.

TALK ABOUT IT

Talking through stressful moments can help to release pent-up tension.

Life Insurance

www.Standard.com

800.628.8600

Group: 750973

Paid for by First Coast Workforce Development Consortium

As a full-time employee of the FCWDC, you are provided with life insurance and accidental death and dismemberment (AD&D) coverage at no cost to you through Standard.

Coverage Amounts

Please refer to the Certificate of Coverage for FCWDC Bargaining Unit 2222 to identify rate of coverage.

Make sure you designate a beneficiary who will receive your life insurance benefit if you pass away while covered under this policy. Forms are available on the Employee Benefits website.

www.coj.net/benefits

Accidental Death and Dismemberment Insurance (AD&D)

AD&D, or Accidental Death & Dismemberment insurance, is attached to the life insurance you receive through the City of Jacksonville. Your AD&D coverage is for the same amount as your life insurance, and can pay a benefit in one of two ways, death or dismemberment.

- 1. Death:** If your death is caused due to a covered accident, the AD&D benefit pays in addition to your life insurance. This is sometimes called a “double indemnity” because your beneficiary receives both the life insurance amount and the AD&D amount.
- 2. Dismemberment:** If, as the result of a covered accident, you either lose a covered body part (such as a limb) or lose the function of a covered body part, you may receive a percentage of the total AD&D benefit depending on the functions that have been lost.

Portability: If You Leave The City

If you lose eligibility for life insurance through the City due to ending your employment, retiring, you may choose to continue your life insurance coverage. Contact Standard within 31 days of the date you lose eligibility for details and to begin the process.

Annual Notices

This section contains important information about your benefits and rights. Please read the following pages carefully and contact employee benefits with any questions you have.

HIPAA Special Enrollment Rights – EA federal law called HIPAA requires that we notify you about an important provision in the plan - your right to enroll in the plan under its “special enrollment provision” if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

Loss of Other Coverage (Excluding Medicaid or a State Children’s Health Insurance Program). If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 60 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

Loss of Coverage for Medicaid or a State Children’s Health Insurance Program. If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children’s health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents’ coverage ends under Medicaid or a state children’s health insurance program.

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption. If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 60 days after the marriage, birth, adoption, or placement for adoption.

Eligibility for Medicaid or a State Children’s Health Insurance Program. If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents’ determination of eligibility for such assistance.

To request special enrollment or to obtain more information about the plan’s special enrollment provisions, contact Employee Benefit Division 904.255.5555.

Important Warning

If you decline enrollment for yourself or for an eligible dependent, you must complete a “Form for Employee to Decline Coverage.” On the form, you are required to state that coverage under another group health plan or other health insurance coverage (including Medicaid or a state children’s health insurance program) is the reason for declining enrollment, and you are asked to identify that coverage. If you do not complete the form, you and your dependents will not be entitled to special enrollment rights upon a loss of other coverage as described above, but you will still have special enrollment rights when you have a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program with respect to coverage under this

plan, as described above. If you do not gain special enrollment rights upon a loss of other coverage, you cannot enroll yourself or your dependents in the plan at any time other than the plan’s annual open enrollment period, unless special enrollment rights apply because of a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program with respect to coverage under this plan.

Availability of Summary Health Information – As an employee, the health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury.

Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC), which summarizes important information about your health plan option(s). This summary is in a standard format, as regulated by the Patient Protection and Affordable Care Act, to help you compare options. The standard format enables readers to conduct an apples-to-apples comparison.

We are pleased to provide you with the Summary of Benefits and Coverage (SBC) for your plan(s) along with the Health and Human Services uniform glossary that is to be paired with the SBC when distributed to employees.

The SBC(s) are available here: www.coj.net/benefits.

The glossary can be found here: <https://www.cms.gov/CCIIO/Resources/Forms-Reportsand-Other-Resources/Downloads/UG-Glossary-508-MM.pdf>.

A complimentary paper copy is available upon request by calling 904.255.5555. Participants and beneficiaries may request an electronic SBC from Employee Benefits Division.

Women’s Health and Cancer Rights Act of 1998 – If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for all stages of reconstruction of the breast on which the mastectomy was performed; surgery and reconstruction of the other breast to produce a symmetrical appearance; prostheses; and treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, call your plan administrator at the number listed on your medical plan ID card.

Newborns’ and Mothers’ Health Act – Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96

hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Patient Protection – The disclosure is applicable to the following plan(s): Florida Blue - Bluecare 48, Florida Blue - Bluecare 65; UF Health EPO plan.

Designation of Primary Care Providers: Florida Blue generally requires the designation of a primary care provider and UF Health allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in our networks and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Florida Blue at www.floridablue.com for UF Health providers.

Designation of Pediatricians as Primary Care Providers: For children, you may designate a pediatrician as the primary care provider.

Access to OBGYN without Referrals: You do not need prior authorization from Florida Blue or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Florida Blue at www.floridablue.com for UF Health providers.

Wellness Program – Florida Blue's Better You Strides (BYS) is a voluntary wellness program available to all full-time employees and eligible dependents. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which will include a blood test for Cholesterol and Glucose testing. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

However, employees who choose to participate in the wellness program will receive an incentive of activity based points for completing various items. Although you are not required to complete the HRA or participate in the biometric screening, only employees who do so will receive points for these items.

Additional incentives of up to unlimited points per year may be available for employees who participate in certain health-related activities including step challenges, vision exams, dental exams, fitness activities, mammograms, colonoscopies, and many more, or achieve certain health outcomes including lowered cholesterol, lower risk of heart disease, diabetes, quitting smoking, losing weight, increased happiness, improved mental wellbeing, improved financial wellbeing and others.

If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Chief of Employee Benefits Division at 904.255.5555.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as recommended custom wellness activities. You also are encouraged to share your results or concerns with your own doctor.

Protections from Disclosure of Medical Information. We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and BYS may use aggregate information it collects to design a program based on identified health risks in the workplace, BYS will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive.

Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is BYS in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Additional Protections are maintained by BYS.

Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, Florida Blue will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact Chief of Employee Benefits Division at 904.255.5555.

Michelle's Law – Requires group health plans to provide continued coverage for a dependent child covered under the plan if the child loses eligibility under City of Jacksonville's Group Health Medical Plan because of the loss of student status resulting from a medically

necessary leave of absence from a post-secondary educational institution. If your child is covered under City of Jacksonville's Group Health Medical Plan, but will lose eligibility because of a loss of student status caused by a medically necessary leave of absence, your child may be able to continue coverage under our plan for up to one year during the medically necessary leave of absence. This coverage continuation may be available if on the day before the medically necessary leave of absence begins your child is covered under City of Jacksonville's Group Health Medical Plan and was enrolled as a student at a post-secondary educational institution.

A "medically necessary leave of absence" means a leave of absence from a post-secondary educational institution (or change in enrollment status in that institution) that: (1) begins while the child is suffering from a serious illness or injury, (2) is medically necessary, and (3) causes the child to lose student status as defined under our plan.

The coverage continuation is available for up to one year after the first day of the medically necessary leave of absence and is the same coverage your child would have had if your child had continued to be a covered student and not needed to take a medical leave of absence.

Coverage continuation may end before the end of one year if your child would otherwise lose eligibility under the plan – for example, by reaching age 30.

If your child is eligible for this coverage continuation and loses coverage under the plan at the end of the continuation period, COBRA continuation may be available at the end of the Michelle's Law coverage continuation period.

If you have any questions concerning this notice or your child's right to continued coverage under Michelle's law, please contact Chief of Employee Benefits Division at 904.255.5555.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are not currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 877.KIDS.NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 866.444.EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2024. Contact your state for more information on eligibility.

Medicare Part D Notice

Important notice from the City of Jacksonville about your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with The City of Jacksonville and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide a minimum standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The City of Jacksonville has determined that the prescription drug coverage administered by Florida Blue is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current City of Jacksonville coverage will not be affected.

Medicare Part D Notice (continued)

If you do decide to join a Medicare drug plan and drop your current City of Jacksonville coverage, be aware that you and your dependents may not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with The City of Jacksonville and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you have 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you leave nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage:

Contact Employee Benefits for further information. NOTE: You'll get this notice each year. You will receive it before the next period you can join a Medicare drug plan and if this coverage through The City of Jacksonville changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage:

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You will receive a copy of the handbook in the mail from Medicare every year. You may also be contacted directly by Medicare drug plans.

For More Information About Medicare Prescription Drug Coverage:

- Visit www.medicare.gov.
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.
- Call **1.800.MEDICARE (1.800.633.4227)**. TTY users should call 1.877.486.2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available.

For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1.800.772.1213 (TTY 1.800.325.0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained non-creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).
