

TALENT SOLUTIONS FOR EMPLOYERS

Skills Training and Credentialing with Florida Ready to Work

CareerSource NEFL can assist you in measuring applicants' employer-driven, job readiness skills, and how they relate to your open positions. This will assist you in your screening practices to create a more robust application process, allowing the right candidates to shine.

These assessments are professionally proctored for your organization, by our trained staff, in our seven regional Career Centers.

FLORIDA ready to work

Assessments Available

Digital Skills

This assessment gauges in-demand foundational technology skills, including computer operations, internet browsing, creating and sharing digital documents, as well as using common digital communication and security tools.

Soft Skills

This assessment measures in-demand employability skills, including conveying professionalism, communicating effectively, working well in a team, collaborating, thinking critically, and solving problems.

Academic Employability Skills

This assessment is based on three individually proctored career readiness assessments that validates mastery of foundational workplace math, work-ready reading, and data analysis skills, that are required for most jobs, according to the U.S. Department of Labor O*Net Job Zone Framework.

Become a Florida Ready to Work employer partner by:

- **RECOGNIZING** the credential as proof of foundational employability skills.
- **REQUESTING** the credential from job applicants.
- **INCLUDING** 'Florida Ready to Work Preferred' in your job announcements.

Florida Ready to Work gives participating employers a competitive-edge at no additional cost:

- Reduces employee turnover
- Reduces new hire training costs
- Saves hiring time and money
- Increases productivity and profitability
