Addendum #1: Official Responses to Submitted RFP Questions

Question #1: Can proposals be submitted before the May 22nd?

Response to Question #1: Proposals may be submitted prior to the established submission deadline identified in the RFP. Early submission of proposals is allowable; however, all proposals received will remain unevaluated until the official deadline has passed. All proposals will be reviewed in accordance with the same timelines, requirements, and evaluation procedures to ensure a fair and equitable procurement process for all respondents.
